

Moosup Lodge No. 113, A.F. & A.M. of Connecticut presents:

The Quarry Rite

A full-form Master Mason degree performed in an
operative stone quarry under torchlight

Join us on Saturday, August 19, 2017 in Moosup, CT for *The Quarry Rite*.

PLEASE NOTE: THERE IS NO RAIN DATE. IN CASE OF INCLEMENT WEATHER, CHECK THE MOOSUP LODGE FACEBOOK PAGE FOR EVENT STATUS.

This unique event was last performed in 2012, and was attended by nearly 200 brothers. Lodge will open (without formalities) at Moosup Lodge, then adjourn to refreshment for a picnic at the nearby Moosup Little League complex on Lion's Drive (GPS coordinates 41.718379, -71.883432).

Following the picnic, we will caravan to the quarry location in Sterling, CT (GPS coordinates 41.757788, -71.834246). Quarry access is over rough terrain and parking is limited, so brothers will be encouraged to carpool.

Labor on the degree will begin at approximately 6 PM, and is expected to conclude at approximately 10:30 PM. THIS IS AN OPERATIVE STONE QUARRY — DRESS ACCORDINGLY. BOOTS AND JEANS OR SHORTS ARE SUGGESTED. You may either bring a lawn chair or pull up the nearest rock — but a lawn chair is suggested.

Reservations are required for dinner. Contact Brian Keith at
moosup113@yahoo.com or 860-564-8807.

For more information, please refer to the attached 'EVENT DETAILS' sheet
